

Arrowhead Lace Loop

by, Amy Grace

Knit back & forth on either straight or circular needles, this cowl is knit not quite as long as a traditional scarf. It is then bound off and the ends are seamed together, forming a continuous loop. This loop can be worn in it's long form, or doubled up as in the picture to warm the entire neck.

Yarn used: Flicker by Berroco: 1 (189 yards per skein)

Materials used: US size 13 needles, 2 stitch markers, tapestry needle.

Gauge: gauge is dependent on personal preference for this project. The goal for this cowl is a loose, lofty drape without compromising stitch definition. A tighter gauge will require additional yardage.
