I love my Swiffer Wet Jet but I don't like how costly the pads for it are so I looked online to see if anyone had crocheted (with success) pads. I found one website that said she had but she didn't write the pattern for it. Then I found a pattern for it but with the simplicity of the project I didn't want to pay \$3.50 for it. So I came up with my own pattern and I'm sharing it with you for FREE! With this, you can just toss your crocheted pads into the washer when you're finished mopping and can reuse it.

The fphdc's add some nubbiness to help scrub your floors. You can make this up really fast. It should stick to the velcro that's already on your Swiffer but if it don't, you can use some little velcro stick ons placed on the back side of your pad. Just make sure to line it up with the velcro on the Swiffer.;

Because my tension may different from yours you may have to adjust the length of the beginning ch and the number of rows you do. Just make sure you end with a row of HDCs.

Pattern:

Ch 43

Row 1: HDC in the second ch from hook and in each across. Ch 1, turn

Row 2: \*HDC in first st, fphdc over next.\* Repeat from \* to \* across. Ch 1, turn.

Row 3: HDC in each st across. Ch 1, turn.

Row 4: Repeat row 2.

Row 5: Repeat row 3.

Row 6 – 14: Repeat rows 2 & 3.

Row 15: HDC across. Fasten off and weave in ends.
