

Pink Delight Shawlette

“Zomaar een dag” designs by Barbara de Bruin -Karnekamp

General information

Most of my shawls are made of two balls or one skein of sock yarn. If you do not make socks out of it, you can always make a shawlette with it! For this pattern I decided to let the extended crochet stitches make their appearance. They make the stitches a little bit longer and so add a bit of a lacy effect to the shawlette.

Special Stitches

Extended single crochet (esc): insert hook into stitch, yo, pull up loop (2 loops on hook). Yo and pull through first loop only (2 loops on hook). Yo, pull through both loops on hook.

Extended double crochet (edc): yo, insert hook into stitch, yo, pull up loop (3 loops on hook). Yo and pull through first loop only (3 loops on hook), Yo, pull through two loops (2 loops on hook). Yo, pull through last two loops (1 loop on hook).

Extended single crochet 3 together (esc3tog): [draw up a loop in next stitch, yo and draw through 1 loop] 3 times, yo and draw through all 4 loops on hook.

Notes

You can adjust this shawl in many ways, you can decide how many rows of ehdc you want or after how many rows you want a lacy row. Or when to start the border! A normal ehdc row adds 3 stitches to either side of the shawl and a lace row has to be done after an even amount of rows of ehdc, with both lace row and start up ehdc row adding a total of 7 stitches to either side. For the border you need a multiple of 10 + 3 on one side of the shawl.

Finished measurement

After blocking 50" wide and 26" from top to bottom point of the shawl

Materials

Trekking XXL Circus, 1 ball (420 meters/100g, 459 yards)

Crochet hook size 4 mm/G or choose size to taste

Gauge

Measured from top of the spine to a side point I had 6 rows in 4". My crocheting is pretty loose, so pick a size that gives you a nice pliable fabric.
