Some tips for making Amigurumis

- I recommend beginning all rounds with an adjustable ring ("Magic Ring"). (Alternatively you can also start with 2 chains.)
- All rounds are worked in a continuous spiral; do not join rounds with a slip stitch, **unless indicated**.
- You may find it useful to use a stitch marker (e.g. a piece of yarn) for counting your rounds.
- When stuffing your Amigurumi (or parts of it), take care to give each part a nice shape, don't just put the filling in randomly.
- I also recommend taking your time when making (embroidering) your Amigurumi's face.
