Pattern Notes

- This pattern is written in American English terminology.
- Instructions in *stars* are repeated the number of times indicated after the second *.
- Rounds are joined with a slip stitch. You will turn the work at the end of each round.
- If you are not familiar with the magic loop, here is a good tutorial to learn the technique <http://www.crochetme.com/forums/t/28917.aspx> If you are still not comfortable with the technique you can "Ch 2. 6 sc in second chain from hook. Join with a sl st." instead.
- Make sure not to pull your long stitches too tight or your work will be puckered. Keep your tension loose.
- Instead of fastening off and weaving in the ends for all the color changes, just carry the yarn along the wrong side of the work. Be careful not to pull tight or the fabric will pucker.
- To change color, pick up the next color for the slip stitch and then continue on with the next row.

Special Stitches

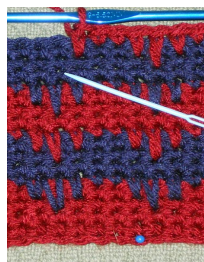

lsc - long single crochet - Insert hook in stitch directly below the stitch you are working on. Yarn over and draw through the stitch. Yarn over and draw through both loops on hook.

The needle points to the stitch you will crochet through.

Adult Spikes Hat

rsc - reverse single crochet - You will be crocheting from left to right when doing this stitch. It takes a bit to get used to it. Insert hook into stitch to the right of current stitch. Yarn over and draw through stitch. Yarn over and draw through both loops on hook.

xlsc - extra long single crochet - Insert hook in stitch 2 rows below the stitch you are working on. Yarn over and draw through the stitch. Yarn over and draw through both loops on hook.

The needle points to the stitch you will crochet through.
