Next step – create 3 corners on the top of your hat:

1. Fold the hat in half, line up back and front sts against each other and crochet 15 sts from back and 15 sts from front together.
2. Then count next 30 stitches, line up 1st and 30th stitch against each other and crochet them together. Then continue stitching 2nd and 29th sts, 3rd and 28th And so on until you are finished with second hat corner.
3. Finish 3rd corner by lining up last 30 sts against each other (= 15 sts in the front and 15 sts in the back), and crochet the last 15 sts together
4. Clean up any loose ends
