

Amigurumi Adipose

(Formerly Amigurumi “Fat” Baby)
By Jennifer Christensen

Rating:

Intermediate for finger and toe shaping, increases and decreases

Materials:

- ~Worsted weight yarn (I used Red Heart Supersaver in White, or any flesh tone would work)
- ~4.00mm hook
- ~Stitch marker
- ~2 – 9mm black safety eyes
- ~small amount of black floss and needle to embroider the mouth
- ~Tapestry needle
- ~Fiberfill

Gauge:

Not important for this project. Just make sure your stitches are tight so the fiberfill doesn't poke out.
