

Wasabi Cowl

By Cassandra Dominick

This project can be completed in about an hour! It makes an easy, stylish, and quick gift for a friend or yourself.

Pattern:

Cast on 5 stitches.

Knit first row. Place marker on center stitch.

The next four rows will continue will be repeated until you have only a few yards left for binding off:

This pattern is a simple 4 row repeat:

R1: k2, knit until marked st, yo, k marked st, yo, knit until end.

R2: k2, purl until 2 st until end, k2

R3: k2, M1R, knit until 2 sts until end, M1L, k2

R4: k2, purl until 2 st until end, k2

Knit until about 4 or 5 yards remain. BO. Weave in ends. I chose to place the button on the purl side.

Choose the side you like best. Place button on either side approximately 3 inches from the top of the widest part of the triangle and 1 inch from the edge. Block if desired. Enjoy!
