ANGRY BIRDS-YELLOW

FREE CROCHET PATTERN BY CEROTRACE

This is my first pattern. I've tried to write them before but I always just winged it and didn't have patience since I tended to undo and redo until it came out the way I liked. So forgive me if something is a bit off but I think this pattern is rather spot on, but just in case, let me know if something is wrong and I'll fix it. Assemble in whatever order you feel like. I did Body, Belly, Beak, 2 Eyes, 2 Brows, 2 Feathers. Feel free to whatever with your result. So enjoy and look for my future pattern line on Ravelry: Cerotrace. If you have any questions feel free to msg me.
