*I wanted to get to 43 stitches for the edging of my choice. Feel free to adjust the number here if you would like to do a different bottom edging.*

## SCALLOP BOTTOM EDGING

*Here is instructions for the edging I used on the blue cozy, but feel free to use your own edging!*

Right side should be facing. Ch1, Turn. Sl St the first stitch. \*skip the next 2 SC, DC 5 in the same stitch, skip the next 2 SC, Sl St in the next stitch\*. Continue scallops until you are finished the bottom of the cozy.

## EDGING

Work either a SC or Sl St edging around the sides and across the flap.

## BUTTON HOLE

To be worked on edging of Flap

Work edging till the narrow side of the flap work until the top of you buttonhole should be. I did SC 9 here. Chain the desired length of the buttonhole – I did Ch 4, then Sl St it back to where the buttonhole should start – I skipped 6 stitches here. Turn and SC into the chain – I did 6 here. Then continue along working the flap edging.
