## NOTES

All hats are knitted flat. It is very easy to make this hat as fitted or slouchy as you'd like by knitting more or less rows.

### VERSION 1

CO 56(60, 64, 68, 72)  
Row 1(WS): p2tog, leave the 2 sts. on the left needle,  
purl 1<sup>st</sup> st., slide both sts. off the needle.  
Row 2(RS): k1, \*sl 1, k1, pssso, leave st. on needle and knit it\*,  
knit last stitch.  
Repeat Rows 1–2. End on Row 23(25, 27, 29, 31).  
Decrease Row: p2tog(14 sts)

### VERSION 2

CO 28  
Row 1(WS): p2tog, leave the 2 sts. on the left needle,  
purl 1<sup>st</sup> st., slide both sts. off the needle.  
Row 2(RS): k1, \*sl 1, k1, pssso, leave st. on needle and knit it\*,  
knit last stitch.  
Repeat Rows 1–2. End on Row 13.  
Decrease Row: p2tog(14 sts)

### FINISHING

- Cut a 20-inch tail, weave through remaining stitches.
- Sew the side seams together. I used the mattress stitch but you can sew it with your preferred method.
- Tighten, tie a knot.
