

# Big Leaf Cowl

This very simple cowl is knit with a super-bulky weight yarn (5-6 wpi), on 6.5mm needles and should knit up very quickly. You can choose how many repeats to do for a looser or snugger effect. My example has five repeats and is 72.5cm long and 17.5cm wide.

## Materials:

- ~ Super-bulky yarn
- ~ 6.5mm needles or needles to match your chosen yarn
- ~ Three large buttons

**Gauge:** 10 stitches (7.5cm) by 10 rows (6.5cm), but gauge isn't critical for this piece! ^-^

## Written Instructions:

Repeat the directions within the \* as many times as you want leaves in your cowl.

**Note:** Rows 5, 18, and 30 are button hole rows. For button holes, pick one side of the seed stitch border to have the button holes on. Instead of the usual seed stitch (k,p,k,p,k), work k2tog, k, double yarn over, k2tog. When coming back over these, work them as seed stitch as normal.
