Ears

This is the tricky part. You will be picking
up the 8 bars between

8 stitches - on each
side. Like this:

For each ear:

1. Knit four rounds
(garter stitch)
2. K2tog, knit 4, K2tog
3. K2tog, knit 2, K2tog
4. K2tog, K2tog
5. K2tog
6. Break yarn and pull through last stitch.
This may cause a point, but you can
round it out as you weave in the ends.
7. Weave in ends.
