

"Chic Cowl"

Why not keep your neck warm in the chillier months this year in style? This super cute and subtly sparkly cowl neck scarf keeps you cozy while dressing up your outfit! This fabulous fun yarn provides an adventure in itself to knit – it actually changes yarns for you, with each skein containing 6 different yarns! From soft, to fuzzy, to funky, you'll get to experience knitting it all (my favorite part is the super sparkly lurex 😊) The cowl neck scarf features 6 cables running up it for added luxe. Knit in the round, the only finishing you will need to do is weave in the tails from the cast on and bind off edges. It only uses one ball, so for a small investment you get a fabulous new accessory. Enjoy! 😊
