Daisy Daisy Earrings

By Janet McMahon

These dainty earrings are so easy to make and look really pretty, especially if the sun is shining. I suddenly felt inspired to make them and in less than an hour I was wearing them. I used Coats mercer crochet cotton #20 and a 1.5mm hook. Here's how I made them:

Yarn - 2 colours of crochet cotton (white and yellow) - only small amounts needed.

Hook - 1.5 mm.

Notions - earring hooks.

Pattern ([English terms used](#))

Finished size - 2.5cm in diameter

Base ring: using white make 6ch, sl st to join into a ring.

1st round: 7ch (counts as 1 tr and 4 ch), [1 tr into ring, 4 ch] 7 times, sl st into 3rd of 7 ch. (8 spaces)

2nd round: [1 dc, 1 htr, 1 tr, 1 htr, 1 dc] into each space. Sl st into 1st dc. Fasten off white.

Centre: Attach yellow thread to foundation ring between any of the trebles. 3 ch (counts as 1 tr), 1 tr into same space, [2 tr into next space] 7 times, sl st into 3rd of 3 chain. Fasten off.

Attach earring hooks to one of the petals through the top of the treble.

All done, now you can wear your own daisy daisy earrings.
