

Asymmetrical Scarf

This is really a 'recipe' for a basic asymmetrical triangular scarf. It can easily be modified with different stitch patterns.

I knit this with some fingering/DK weight handspun yarn, but any yarn will work. Great way to use one skein of beautiful yarn.

Use the size of knitting needles appropriate for your yarn. Gauge isn't important.

Basic Asymmetrical Scarf

Cast on 5 stitches.

Row 1 (RS): KFB, work in pattern to last 2 stitches, K2TogB.

Row 2 (WS): KTB, work in pattern to the last stitch, KFB

Work these two rows for the desired length, bind off on a wrong side row.

Stitch Pattern

Row 1(RS): K

Row 2(WS): P

Row 3: K

Row 4: P

Rows 5-9: K

Row 10: P

Row 11: K

Row 12: P

Rows 13+14: K

Row 15: *YO, K2Tog* repeat

Row 16: K

Repeat these 16 rows for the length of the scarf.

The pattern is basically small sections of stockinette, garter, stockinette, and garter lace.

The garter keeps the scarf from curling.

Note - at the end of every second garter lace (YO, K2Tog) row there is an extra stitch, you can either just knit it or knit to the last 3 stitches and slip one, K2TogB, pass slip stitch over.

Abbreviations

K - knit

P - purl

KTB - knit through the back

KFB - knit front and back (single increase)

K2TogB - knit 2 together through the back

YO - yarn over

K2Tog - knit 2 together

RS - right side

WS - wrong side
