

Lost in transit!

This is an elegant scarf done only on simple knit and purl stitches along with yarn overs, k2tog and ssk. This is a perfect scarf for adventurous beginners wanting to jump into knitting lace. It is also a perfect scarf to learn knitting from the chart.

Materials:

Approximately 400 yards of fingering weight yarn
3.75mm (US 5) or 4mm (US 6) needles

If you use slightly larger needles than the ones suggested for the yarn, you will get a larger and lacier scarf. Since this is a scarf, it can be done in any weight of yarn and size of needles. However, the amount of yarn required will vary according to your selection and preference.

The scarf will curl as its based on stockinette stitch. Blocking helps reduce the curling. Hence, yarn with natural fiber is a good idea.

Stitch definitions:

k - knit stitch

yo – yarn over (bring the yarn to the front of the work as if to purl and work the next stitch)

k2tog - knit 2 stitches together

ssk – slip one stitch as if to knit to the right needle. Slip another stitch likewise. Insert the left hand needle through the front loops of the stitches you just slipped and knit them together.

Gauge:

Gauge is not crucial but will vary depending on the yarn and needle you use.

Pattern:

Cast on 44 stitches using your favorite cast on method.

The first and last 4 stitches are the border stitches done in garter stitch. Knit them on all rows. However, to achieve a chained selvedge, please follow the optional instructions below.

Optional: To achieve a chained selvedge, slip the first stitch knitwise and knit the last stitch on all odd rows and slip the first stitch purlwise and purl the last stitch on the even rows. So, the border stitches will look like this:

Odd numbered rows: Slip first stitch knitwise, k3,{knit pattern stitches},k4

Even numbered rows: Slip first stitch purlwise, k3,{knit pattern stitches},k3,p1

Instructions:

Knit 4 rows in garter stitch (knit all rows)

Begin working in lace pattern either following the written pattern or the chart beginning with chart A and alternating chart B & A.

Note: Every row begins and ends with a border of 4 knit stitches. These border stitches are NOT shown in the chart but are included in the written instructions (shown outside the curly braces).

Alternate the charts A & B till the scarf is as long as you want it ending with R70 of chart A or chart B. Knit 4 rows in garter stitch (knit all rows). Bind off the stitches. Cut yarn leaving a few inches for weaving in.
