L G

A simple cowl knit in garter stitch. Short rows are used to build a series of triangles with one skein of Noro silk garden sock. The ends are seamed together to produce an elegant cowl.

## m materials

Noro silk garden sock: 40% Wool, 25% Nylon,  
25% Silk, 10% Mohair  
1 skein (328 yards)

## n needles

US size 8 (5.0 mm) straight or circular needles

## t tools

Stitch markers, darning needle

## g gauge

Gauge is not critical; 16 stitches over 4" in  
garter stitch

## m measurements

Finished cowl before seaming measures 5.5"  
wide and 56" long

## a abbreviations

k: knit

sl: slip

k1-f/b: increase 1 st, knit into front loop and  
back loop of same st

pm: place marker

ssk (slip, slip, knit): slip the next 2 sts to the  
right needle one at a time as if to knit; return  
them to the left needle one at a time in their  
new orientation; k them together through the  
back loops

## c cowl

Loosely cast on 20 sts

### *First triangle*

Row 1: k1-f/b, k1, turn; sl1, k to end

Row 2: k1-f/b, k3, turn; sl1, k to end

Row 3: k1-f/b, k to gap then knit 1 more, turn; sl1, k to end

Repeat Row 3 until all sts have been worked (39 sts)

Next row: knit 1 row, turn

### *Second triangle*

Row 1: k1-f/b, ssk, turn; sl1, k to end

Row 2: k1-f/b, k1, pm, ssk, turn; sl1, k to end

Row 3: k1-f/b, k to marker, ssk, turn\*; sl1, k to end

Repeat Row 3 until all sts have been worked, ending last row at \* (39 sts)

Continue making triangles by repeating pattern for second triangle until desired length (For a one-skein project, repeat until enough yarn remains for last triangle. For the cowl pictured here, repeat second triangle 5 more times.)

### *Last triangle*

Row 1: k1-f/b, ssk, turn; sl1, k to end

Row 2: k1-f/b, k1, pm, ssk, turn; sl1, k to end

Row 3: k1-f/b, k to marker, ssk, turn; sl1, k to end

Repeat Row 3 until 19 sts remain unworked. Continue as follows:

Row 1: ssk, k to marker, ssk, turn; sl1, k to last st, turn (one st remains on right needle)

Row 2: sl1, pass first st over just slipped st\*, k to marker, ssk, turn; sl1, k to last st, turn

Repeat Row 2 until 3 sts remain.

Work Row 2 to \*, bind off last st. Leave a 12" tail.
