The perfect wrap when a jacket is too much.

**BEGINNER**

**Materials** Finale' Yarn Colorway Aria  
by Hobby Lobby 6 skeins

15 circular knitting needles

**Gauge:** Not critical

**Finished Size:** Approximately 16  
inches wide and 60 inches long

I am just learning to knit. This is the perfect project for a beginner, because large needles are used so the wrap can be made rather quickly. The fabric is very nubby, so even if you make a mistake no one is likely to know! The thick, thin yarn is very forgiving

**Directions:** Cast on 34 stitches

**Row 1:** knit every stitch

**Row 2 and all remaining rows:** knit every stitch.

Continue to knit every row until you reach 60 inches or desired length, then cast off and enjoy
