

# Bramble Stitch Scarf

A meg croft design

This simple skinny scarf has beautiful texture and looks lovely with an aran or worsted weight single-ply yarn, like Noro Cash Iroha, Malabrigo Worsted, or Punta Merisoft. To widen the scarf cast on stitches divisible by 4.

## Tassels

Measure off 16 yards of yarn, wrap yarn around 6 x 6 inch piece of cardboard, and cut evenly along one side. Divide yarn into 12 groups of 4 lengths of yarn each to form each tassel. Put tassels aside.

## Materials

2 skeins Noro Cash Iroha. Color 83, brown. 99 yds/40 grams per ball or equivalent aran or worsted weight yarn.

## Needles

US 6 (4.00 mm)

Crochet hook US K (6.5 mm)

## Gauge

Used needle size two sizes smaller than called for to get a nice dense fabric.

6 x 6 inch piece of cardboard

## Scarf

Cast on 20 stitches.

Row 1 and all odd rows (WS): Purl all stitches.

Row 2 (RS): \*K1,P1,K1 all into the same stitch, making 3 stitches from one stitch, P3 together to make one stitch from 3 stitches\*, repeat between \*\* to end.

Row 4: \*P3tog, K1,P1,K1\* all into the same stitch, repeat between \*\* to end.

Repeat rows 1-4 until you have used almost all of your 2 skeins, ending with row 1 or 3. With 20 inches of yarn remaining, (or over 3 times the width of your scarf) bind off all stitches. Attach 6 bunches of tassels to each end of scarf with crochet hook. Weave in ends.
