Crochet Pattern No Button Baby Booties

I made this pair of baby booties after making my knitted version so my fellow crocheters could have a similar pattern using the seed stitch. You can also add embellishments or change to a different stitch entirely! I hope you enjoy!

Materials

Crochet hook* [recommended: Sizes F-K]

Yarn* [recommended: fingering yarn, baby yarn (any type), soft yarns, 3-ply, 4-ply]

Yarn needle (to weave in ends if you don't use your hook)

* It's your choice, make for length in size chart. (I recommend making a 10 st x 10 st swatch to determine your gauge.)

Construction (make two)

Chain row

Chain an even number of stitches to meet your desired Pattern Length A on the size chart (next page).

Booty Body (seed stitch)

Row 1: Sc in 2nd chain from hook, ch 1, skip next ch, (sc in next ch, ch 1, skip next ch) across, sc in last ch. Turn.

Row 2: Ch 1, sc in sc and in ch 1 space, ch 1, skip nex ch, (sc in next ch, ch 1, skip next ch) across, sc in last ch 1 space and in last sc. Turn.

Repeat Rows 1-2 until desired pattern width (size chart) is met.

Joining

Next row (right-side facing): join side edge rows by slip stitch-stitching an odd number of stitches across both side edges at the same time. This will form the "cross over" in the picture at the toe of the booty, so be mindful when joining. Turn.

Booty Bottom

Repeat seed stitch (Rows 1-2) above for desired Pattern Length B on the size chart (next page).

Last row: dec, sc across (no ch 1), dec in last two st. Finish off.

Finishing

Sew bottom sole around booty. Weave in ends.

Optional: if you want to secure the booty in the front, you can also tack it down with yarn, thread or an embellishment.
