Picot, pointed lace, leaf edging, rolled finishes. The cuff isn't the most important part but it does make an impact.

Make it a skirty:

Pick up entire row of stitches on "garter" row following ribbing marking beginning of row. Knit two rows. Next row *K1 M1, repeat to end of row. Knit two rows. Repeat from * until skirty has desired "flare". Knit to desired length.

For a fun skirty, one to two inches from finished bottom begin a *K4 bring yarn to from K2 tog pattern. Repeat pattern every 2nd row ending skirty with two rows garter stitch to prevent rolling. Thread a coordinating ribbon through the lacing holes.
