BO.

For one slice, make two of above pattern, and sew together, stuffing as desired.
SPAM can holds 4-6 slices, depending on amount of stuffing.

Abbreviations:

st st: stockinette stitch = knit odd rows, purl even rows
kfb: knit into front and back of stitch
k2tog: knit two stitches together
BO: Bind off
sc: single crochet

Suggested Modifications:

- Make one large pink cube instead of slices
- Stuff slices with crinkle stuffing
- Use alternate chart with SPAM slice, or make one of your own.
- Knitted SPAM can is slightly larger than a real SPAM can, so it can also double as a SPAM cozy! Keep that SPAM warm on cold winter nights!
