Sew on buttons. I used one big button for this project. You can however customize it to what you want. I also only made the arms $\frac{3}{4}$ length because my daughter dislikes the longer sleeves.

You can make this cardigan larger by doing 11 dc, 13 dc, 22 dc, 13 dc, 11 dc. Which will make a larger yoke. Or smaller by doing lets say for a 0-3 month 5 dc, 7 dc, 10 dc, 7 dc, 5 dc on the beginning chain.

Any questions or concerns about how your project is turning out please feel free to contact Myrna @ chic crochet.
