

Knitty Bitty Sock

Knit pattern by Nadine Borovicka

<http://nadinescrafts.blogspot.com>

<http://nadinespatterns.blogspot.com>

A tiny little sock that makes a great addition to a key chain or as a charm on your cell phone. It is also a great way to use up little bits of sock yarn if you aren't crazy enough to make a blanket out of your sock yarn scraps (I say that out of love, I am making one of those blankets myself).

Materials:

Two Size 1 DPN's- important since you will be working [I-cord](#)

A small scrap of sock yarn

Scissors

Tapestry needle

Abbreviations:

CO- Cast on

St(s)- Stitch(es)

K- Knit

P- Purl

K2tog- Knit two together

Directions:

- CO 6 Sts
- K one row
- Begin working [in I-cord](#) for about ½ an inch or however long you want the cuff to be
- Still in I-cord: K 5, Turn
- Now working back and forth: P 4, turn
- K 3, turn
- P 2, turn
- K 3, turn
- P 4, turn

- K 5
- Back to working in I-cord: K 6
- K three more rows
- K2Tog, K 2, K2Tog
- Bind off by gathering the last 4 stitches on a tapestry needle and pulling tight. Use this length of yarn to also close the small holes that will form on the sides of the heel where you worked the short rows. Weave in ends.

You can either use the ends to tie the sock on to your display of choice (instead of weaving them in) or you can run a split ring through some of the stitches at the top. I like using the Cell Phone fobs to attach them to things.

Above, when I say working in I-cord, I mean to continue bringing the yarn around the back of the stitches instead of turning your work and working on the wrong side.
