Double waterlily 1: motif for shawls

Introduction

This is variation on one of the most famous and beautiful motifs for Haapsalu shawls "Waterlily". The pattern is designed for knitting of lace shawls.

Description and tips

Chart 1 and **2** include only odd number rows. All even row stitches are knitted purlwise.

To include this motif into you knitting count needed amount of stitches as: **17 sts** (edges of the motif) + **16 sts ·X times** (repeated middle part of the motif).
Cast on stitches, knit repeating **Chart 1** until you reach the needed length. During the last repeat of the motif knit rows 1 - 14 according to **Chart 1**, than knit all rows from **Chart 2**.
Legend

☐   k, knit

⊙   yo, yarn over
