# *Edge lace 2.2*

Picture 1.

Introduction

A zigzag edge lace (**edge lace 2**) stitch motif is combined with **little daisies** motif.

This pattern includes an interesting lace stitch when an odd number of stitches is knitted together and the same amount of stitches is raised from them.

Description and tips

Chart includes odd rows only. The edge and repetitive middle part of the motif are separated by the empty space. Numbers on the right side of the charts indicate row number. Edge stitches are not included.

For stitches of **even** rows there are two possibilities:
    - purl all stitches and you will get **stockinette based lace texture** as on the **Picture 1**

or

    - knit all stitches and you will get **garter stitch based lace texture** as it is traditionally done for Haapsalu shawl borders.
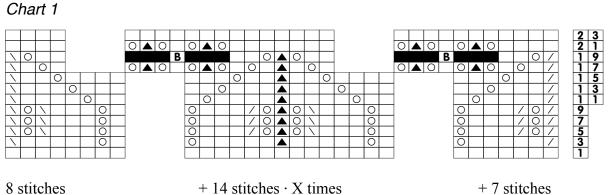

Chart 1 requires the following amount of stitches: **15 stitches** (edges of the motif) + **14 stitches ·X times** (repeated middle part of the motif) + 2 (or more) edge stitches (if necessary).

Cast on stitches using **knitted on method** and double yarn with needles at least 0.5 - 1 size larger than you will be using for the edge lace knitting.

Knit all rows from the Chart 1.

Legend

Symbol	Description
☐	k, knit
⃝	yo, yarn over
▲	knit 3 stitches together with the middle one above, slip two stitches knitwise, knit next stitch and pass two slipped stitches over third stitch
╱	k2tog, knit 2 stitches together
╲	ssk, slip 2 stitches as if to knit, then knit those 2 stitches together
▬ B ▬	knit 7 stitches from 7 stitches, knit seven stitches together and increase of them seven stitches: 7 gathered stitches, knit 7 stitches together but do not slip these stitches from the left needle, (yo, knit the same 7 stitches together again and leave on the needle as before) 3 times, then slip all 7 stitches from the left needle. Be sure to work these stitches in the correct order on the following row.
