

King of Beer Cozy Coaster

This one's for you!

Let's have one more for the road.

If you have a husband who enjoys a good beer at the end of the day,

This cozy is for you.

It not only keeps the beer cold, but it will keep the hands warm.

And one added benefit is that it works as a coaster,

So there will be no marks on the coffee table...

That is unless it is knocked over and spilled.

It's another easy pattern that works up quickly,

And can be made in any color of your choice.

It uses two strands held together so it is heavy-duty.

You can use a single color or mix and match to use up scrap yarn.

It fits snugly around a beer can, and can be tossed in the washer and dryer.

Father's Day is coming and it would make a quick, easy gift.

So have a round of cheers for Grandma Perkins' Beer Cozy.
