

## Grandma Perkins Easy Finger Tube Moustache

Happy Father's Day!

Awhile back I saw a knit finger moustache on the web.

I could not find any crocheted ones.

So I made my own.

Halloween will be here before you know it.

And it's a quick costume accessory.

Everyone should have a moustache.

Slip it on your finger and put it under your nose.

Very Silly!

It is a very easy pattern.

It can be made in about half an hour.

**Size:** Fits an adult finger

#### First Side of Moustache:

Ch 8, **Ss** in 2<sup>nd</sup> ch from hook. **Sc** in next. **Hdc** in next 4.

Ch 2, **Ss** in the 2<sup>nd</sup> ch from the hook (Picot made).

Now surface crochet with yarn held underneath:

**Ss** in the same as the first ss,

then **Ss** through each of the next 6 chs of the foundation-chain.

One more **Ss** through the 2<sup>nd</sup> sc (Green Arrow). Do not FO yet.

### Other Side of Moustache:

Ch 8, ss in 2<sup>nd</sup> ch from hook. Sc in next. Hdc in next 4.

1 Sc in last ch (Blue Arrow).

Turn clockwise to work opposite side of foundation-chain and keep working-yarn under:

1 Sc in same st.

Hdc in next 4 chs, Sc in next and ss in same as first ss.

Ch 2, ss in the 2<sup>nd</sup> ch from the hook (Picot made).

Insert hook from underside of the last st made, and pull the yarn end to the back to finish connecting the sides.

Pull Yarn-end to the back

### Assembly:

Use the yarn-end of the Moustache to tack in place over the center of the tube. Weave in ends.

Then Use the Tube yarn-end to sew Row 1 to the last Row, matching the stitches of the first and last rows.

Weave in and Voila.
