Darning Needle

Measure the circumference of your head where you want to wear the head-band.

Head-Band

Cast on 20 stitches.

Knit every row. Keep going until your knitting is as long as the circumference of your head when the knitting is stretched.

Bind off and sew in the ends.

Sew cast-on and bound-off edges together.

Button-Band

Cast on 8 stitches.

Knit every row until your knitting will loop around the width of your completed head-band.

Bind off.

Finishing

Sew the cast-on and bound off edges together around the seam on the head-band.

Decorate with a button or pretty bead.
