

PHOTO TUTORIAL -

Two-Color Stockinette Brioché In The Round

This series of three tutorials includes:

Part 1 Replacing Dropped Stitches

Part 2 Increases--Right- and Left-Leaning

⇒ **Part 3 Decreases--Right- and Left-Leaning**

Throughout the tutorials, the blue yarn is MC and the white is CC.

These tutorials assume familiarity with the basics of brioche knitting. You can find full instructions for basic brioche in my Calliope sock pattern, which can be purchased from Twist Collective

(<http://www.twistcollective.com/collection/index.php/component/content/article/93-winter-2011-patterns/1016-sharon-fuller>).

Right-Leaning Decrease

1. (Round 1 - MC) Work to 1 st before marked MC (blue) column, don't bring yarn forward, k CC (white) st and following stitch/shawl tog.

2. Continue in patt (1 st decreased, two adjacent MC sts).

3. (Round 2 - CC) Work to the two adjacent MC sts, yf, sl both sts, yo (shawl covers both) and continue in patt.

4. (Round 3 - MC) Work to the shawl covering 2 sts and k all three loops tog.

5. Second stitch decreased. Decrease complete.

Left-Leaning Decrease

1. (Round 1 - MC) Work to marked MC column, slip marked stitch and shawl tog knitwise. Knit the next CC st.

2. Slip MC pair back over. Continue in patt. (1 st dec, after doing brk on next st, there will be 2 adjacent MC sts)

3. (Round 2 - CC) Work to the two adjacent MC sts, yf, sl both sts, yo (shawl covers both), and continue in patt. (This is actually a picture of a right-leaning decrease, but the concept is similar.)

4. (Round 3 - MC) Work to the two adjacent MC sts, drop shawl behind needle, sl first MC st knitwise, and replace CC shawl L needle. Brk the newly formed stitch/shawl pair.

5. Pass the slipped st over.

6. Second stitch decreased. Decrease complete.
