Bind off with I-cord technique & attaching I-cord.

With CC yarn and double pointed needle cast on 3 additional sts on left needle. Position the yarn behind and work as follows:

Knit first 2 sts. Knit next 2 sts together. This decreases the 2 sts to 1st. Return the 3 sts back onto left needle and repeat.

Continue to work in I-cord attaching the I-cord along the edge of the entire blanket.

Pick up 1 st through the edge. Position the yarn behind and work as follows:

Knit first 2 sts. Knit next 2 sts together. Return the 3 sts back onto left needle and repeat.

In every corner continue I-cord for 1 row without attaching it to your work, this will make the corner turn easier. Continue the I-cord, attaching it around the edge until you reach the beginning of your I-cord. Cut the yarn, leaving a long tail, and thread the end on a yarn needle. Pull the end through the remaining stitches on the needles, gather up and close the hole, stitch to secure.

Gauge: 20 sts & 26 rows = 4” in stockinette stitch.

INSTRUCTIONS:

Note:

This blanket is knit flat in one piece. For a nicer edge slip the last stitch of each row instead of knitting it. Border of garter stitch around rectangles created from two triangles. Attached I-cord in contrasting color create interesting edge.

With the MC yarn and circular needle, cast on 150 sts. Place the stitch marker on the first st and begin,
