## **BABYKNITS PATTERN:**

### **Gartered Baby Bibs w/ Contrast Button**

Simple and useful, these baby bibs are nice and stretchy when your little one likes to pull on things! My nephew, Elli, loves his Gartered Baby Bibs. It's best to knit your bibs with a super wash yarn so that all you mums out there have the option of throwing it into the wash (make sure it's in the delicates bag). Any DK (double-knitting) weight yarn will do – if you choose to use a heavier weight, the bib will be slightly bigger. These bibs are sizable with 2 button holes for 3 – 9 month olds.

#### **Materials:**

- 1 skein Debbie Bliss Rialto DK (100% Superwash Merino Wool)
  - 20 sts & 21 rows / 4 inches in Garter Stitch

- Tapestry Needle
- Waste Yarn
