

**THE YARN
ADVENTURER
PROUDLY PRESENTS...**

FLIP IT DISHCLOTH

Let's flip it! First, you knit two triangles -- then you flip one to the wrong side!

Graft both triangles together and you have a dishcloth displaying both right side and wrong side at the same time!

A slip stitch pattern shows columns of slipped stitches on one side and little blocks on the other side.

Gauge

Not crucial, dishcloth consists of two triangles that can be worked to any size

Yarn / Knitting needle

Any 100% cotton yarn and 2 suitable knitting needles of the same size

Hold both set of live stitches parallel (second triangle is at the back with yarn on the right, first triangle is at the front). Make sure that the RS of first triangle is facing you. After grafting all sts together, fasten off and weave in any loose ends. Block if desired.

Step 1

bring yarn around the front (under the knitting needles). Insert needle knitwise into first stitch (front), slip stitch off

Step 2

insert needle purlwise into next stitch (front), leave on knitting needle

Step 3

insert needle knitwise into first stitch (back), slip stitch off

Step 4

insert needle purlwise into next stitch (back), leave on knitting needle
