ANCIENT MOSAIC BOOKMARK

The Ancient Mosaic Bookmark is quite mysterious!

Two contrasting colors and slipped stitches create this mosaic.

The bookmark ends in a triangle with an I-Cord that will peek out of your book.

Triangle with I-Cord

Row 1 (RS): C1, K all sts

Row 2 (WS): C1, K to last 3 sts, K2tog, K1

Row 1 (RS): C2, K all sts

Row 2 (WS): C2, K to last 3 sts, K2tog, K1

Repeat Row 1 - Row 4 until there are 3 sts left. Fasten off C2.

Row 1 (RS): C1, K3

Row 2 (WS): C1, K1, K2tog

Row 3 (RS): C1, K2, do not turn!

Slip the 2 sts back to left needle and knit them. Repeat this to make a 2-stitch I-Cord. When your I-Cord is long enough, instead of knitting the 2 sts, K2tog. Leave a very long tail (for the tassel) and fasten off C1.

Thread the yarn tail through a darning needle and insert needle into the very tip of the I-Cord. Do not pull tight, leave a loop. Insert needle again into the tip and leave a loop the same size as the first one. Repeat this to make a few more loops. Then wrap the yarn tightly around the tip, insert needle into tip and pull the needle through the last loop to make a knot. Insert needle once more through the tip and pull tight to hide the knot. Cut the yarn tail and cut the loops. Trim your tassel.

If desired, block your bookmark. Read a book and mark your page!
