🦉 Leg warmers are good because they keep your legs warm. I guess that's why they're called that. ☺

Owl Experience Level: 🦉

🦉 Measurements: approx 18.5" long x 6" wide (flat)

🦉 Tension/gauge: 24 sts = 4" in St stitch using US 4 or 3.5 mm needles.

🦉 Notions: A pair of US 4 (3.5mm) circular sock needles, 30cm long. Note: You could also use dpns or magic loop method. (If you knit tightly you may want to go up to size US 5) stitch marker, tapestry needle

🦉 Tiny owl stitch dictionary:

🦉 Ready? Let's go!

Right lets get going! The clouds are moving fast today. These are knitted in the round, be sure to get gauge!

Using size US 4 needles, CO 60 sts, join in the round and pm. Rib round: *K2 p2; repeat from *. Work rib round 4 times.

🦉 Begin lace pattern:

Round 1: Knit.

Round 2: Knit.

Round 6: Knit

Round 7: Repeat row 5.

🦉 Repeat rounds 1-7 and use one skein per leg warmer. I stopped lace at around 16" and began final ribbing as foll: Top rib round: *K2 p2, rep from *. Work rib for about 2.5" Bind off loosely in pattern and weave ends securely. Don't forget to make 2! ☺
