Thread yarn through live sts, break yarn & weave ends.

Make two.

Seaming:

Put stars together pretty side out, line up the points and pin together around the edges to prepare for seaming. With P crochet hook, attach yarn at a flat edge and ch2.

Round 1:

Work dc into each stitch around the mat. (Go through both mats to join the two pieces of fabric together.) Meanwhile, when you get to each of the 7 points, work 2dc in them to turn the corners. Finish with ss into 1<sup>st</sup> ch2.

Note:

If you want to make a pillow, leave space to stuff it with polyester stuffing before you crochet all the way around.

Optional ties: Make 2

(Not pictured cause I have naughty cats) ^..^~~~~

With crochet hook, chain 15, break yarn & weave ends. Attach center of chain in a V to two points of the mat.

Happy fairy star making! Love, Stephanie xoxo
