Work these vertical stripes till hat measures 10 – 14 cm / 4 – 5,5 inches, depending on how long you want the hat. (The hat in the picture measured 11,5 cm)

Then continue in garter st:

Black: k one round, p next round.

Red: k one round, p next round, decreasing as follows on this round: p3, p2tog (=88 sts)

Black: k one round, p next round.

With white and black yarn work stranded pattern in stockinette st according to chart A. Start the round with k2tog (= 87 sts).

Then continue in garter st:

Black: k one round, p next round.

Red: k one round, p next round, decreasing as follows on this round: p3, p2tog (=70 sts)

Black: k one round, p next round, p2tog twice on this round (= 68 sts).

Then you start decreasing according to chart B. This will create the cross on top of the hat. I recommend you work this chart in red and white, and embroider the black stripe afterwards (duplicate stitch).

Chart A

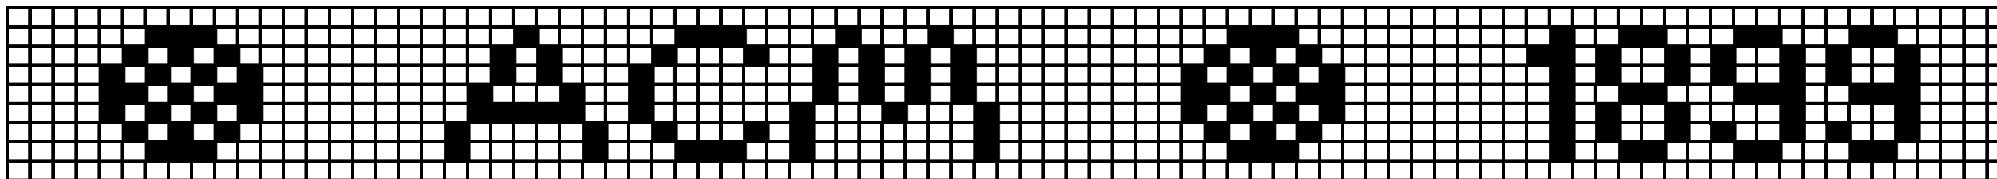

Chart B

■ Work with red yarn, embroider black

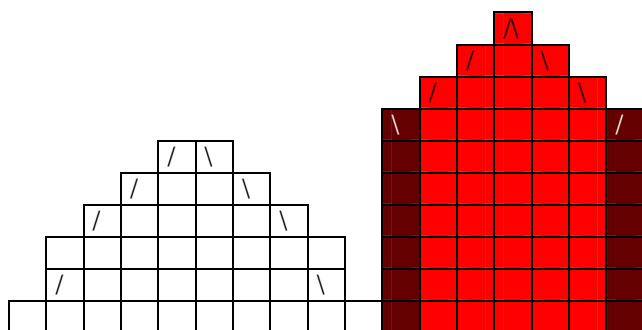

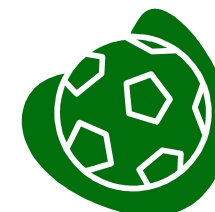

Chart B is repeated four times.
Decrease according to chart.
Change to dpns when hat is to
small for circulars. When chart is
done you have 4 sts. Cut yarn and
draw the end through remaining sts.

Finishing:
Embroider black stripes on cross
(see chart). Sew together bottom
border. Weave in ends. Wash and
block if needed.
