

Fan Wrist Warmers

By Scarlet Lotus

Below you will find two nearly identical patterns. The first is for the shorter and a thick worsted weight (pictured is Loops & Threads Impeccable Ombre in Seaside) version (30 sts x 12 rows). The second is for a light DK weight yarn (pictured is Patons Silk Bamboo in Almond) using a smaller hook and additional stitches around (36 sts x 16 rows).

Additionally, you can easily change the length of either of these patterns by adding dc rows at the bottom for a wider cuff and/or additional Fan rows at the top (after row 12/16) or before the increase rows for the thumb (before row 7). I crochet fairly loose but if you need a larger or smaller size simply add or subtract 6 sts to the initial ch (6 sts per fan) or use a larger/smaller hook.

Also, I like to do my foundation chain with a hook one size up than the rest of the pattern to add stretchiness to the bottom.
