27	19	9 hdc hdc2tog 9 hdc The bulk of the slipper body is complete. You will now work on joining the seam of the heel

B. Joining the seam of the heel

The bulk of the slipper is complete. The next step is to close off the back of the slipper, to form the heel.

Take each corner of the last row, and fold the blue portion in half, hold the two corners together.

Working from top to bottom -

Insert hook into the inner loop of the top right stitch and inner loop of the top left stitch. You will now have 3 loops on your hook.

Yarn over and pull through all three loops on the hook. Repeat until you get to the bottom of the heel. Cut yarn and fasten off. Weave in all loose ends.

...and, you are done!!
