## Instructions

Cast on 35 stitches using Judy's Magic cast on.

Work in seed stitch for approx 4".

Seed Stitch:

Round 1: \*K1, P1; rep from \* to last st, K1.

Round 2: \*P1, K1; rep from \* to last st, P1.

Repeat Rounds 1 & 2 until you reach 4" from cast on (or desired length of bag).

Work eyelet round for cord holes: \*K5, yo, ssk; rep from \* to end of round.

Work 1 more row in seed stitch.

Cast off in pattern. Weave in ends.

## Make Cord

For braided cord:

Cut 3 strands of yarn approx 10" long and braid them together

For i-cord:

Cast on 3 sts onto dpn. \*Slide stitches to other end - do not turn. K all. Repeat from \*. This will twist the stitches creating an i-cord. Work for approx 9".

Feed through holes and secure around soap bar.

Weave in ends.
