

Cubitz Cowl

16" or 20" circular needles

sport: size 6

worsted: size 8

Chunky: size 10

1 marker

Sport weight yarn: 200 yds

Worsted weight yarn: 160 yds

Chunky weight yarn: 120 yds

All yardage depends on how wide you knit your cowl, and if you decide to add more stitches for a looser cowl. This cowl fits loosely around the neck, but does not hang or drape in front. It is appropriate for men, women or children. To make your cowl so it will hang lower, add stitches in quantities of 3. This pattern is pretty forgiving, so it can easily be made longer and wider. Experiment...have fun.
