## Designer Note:

When I crochet amigurumi I let the wrong side face outwards. All the photos you will see in this tutorial are worked this way and it is my personal preference when it comes to making amigurumi. If you choose to crochet with the traditional right side facing outwards there will be no significant difference regarding how the finished piece will turn out so feel free to crochet this amigurumi however you like.

**Body** (*in white yarn*)**Rnd 1:** start 6 sc in a magic ring [6]**Rnd 2:** inc 6 times [12]**Rnd 3:** (inc, sc in next st) repeat 6 times [18]**Rnd 4:** (inc, sc in next 2 st) repeat 6 times [24]**Rnd 5-7:** sc in all 24 st [24]**Rnd 8:** (dec, sc in next 2 st) repeat 6 times [18]**Eyes:** place safety eyes between rounds 6-7 with 6 spaces between each eye. (Fig. 1)**Note:** stuff with fiberfill and continue stuffing as you go.**Rnd 9:** (dec, sc in next st) repeat 6 times [12]**Rnd 10:** dec 6 times [6]

Fasten off, leaving a tail for sewing. Using your yarn needle, weave the yarn tail through the front loop of each remaining stitch and pull it tight to close.

**Nose:** take a piece of pink yarn and embroider one stitch directly between the eyes. Weave in all yarn ends.**Tail** (*in white yarn*)**Rnd 1:** start 3 sc in a magic ring [3]**Rnd 2:** inc 3 times [6]

Fasten off, leaving a tail for sewing. (Fig. 2) Do not stuff the tail. Sew the tail to the back of the rabbit directly opposite of it's nose so you know it is centered.

**Ears** (*make 2 in white and pink yarn*)*(in white yarn)***Rnd 1:** start 7 sc in a magic ring.**Note:** for rounds 2-7 you will sc the first 2 st in pink yarn, then switch to white yarn for the rest of that round. Change colors by switching colors on the inside of the ear, there is such a small space between color changes you do not have to cut the yarn time.

**Rnd 2-7:** sc in all 7 st [7]

Fasten off, leaving a tail for sewing. (Fig. 3) Do not stuff the ears. Sew the ears to the top of the head, about 2-3 rounds above the placement of the eyes with 3-4 st between each ear.

Your mini bunny is now complete. These make great gifts and look cute as a keychain.
