## ABOUT TYPEKNITTING

With *Typeknitting*, Rüdiger Schlömer explores the typographic potential of hand knitting techniques like Fair Isle, Slipstitch, Mosaic, and Patchwork Knitting. As a dialogue between digital typography/type design and the analog craft of knitting, this results in Typefaces, Patterns, Posters and Editions. *Typeknitting* Workshops open this process at locations like Swiss Yarn Festival, De Amsterdamse Steek, Museum für Gestaltung, Zürich and Letterform Archive, San Francisco.
